**Basic Intensive (AGES 7-8)** Young children begin developing their creative skills. Instructors will use music, crafts, dance, and drama. They will learn stage tips and basic theatre etiquette. We will help students explore the world of theatre arts and let their imaginations sail!

**Intermediate (AGES 9-12)** Older students will have the opportunity to learn more in depth acting techniques, monologues, audition technique, dance and stage movement, group/solo vocal numbers, stage craft/art, and basic Improv and cold reading from script. Instructors will encourage students to explore all areas of the arts to enhance their horizons.

**Advanced Intensive (AGES 13 and up)** Teens will be challenged in advanced acting techniques, monologues, advanced audition technique, dance and stage movement, group/solo vocal numbers, stage craft/art and advanced improv, and cold reading from script. These classes are designed to engage students and increase confidence both on and off stage.
